## AND THE AUCKLAND PROJECT

---

Welcome!

The Auckland Project began in 2012, with the idea of bringing a new lease of life to the places and spaces of Bishop Auckland.

You're visiting our first Hotel, and we're delighted to welcome you. We bought the Park Head Hotel in 2020, and it symbolises everything that The Auckland Project is about: inviting people to experience the wonder of this town's incredible heritage, and become part of its story.

We are a charity and one of our aims is to support, train and employ local people in our museums, galleries, gardens and venues. We also explore, look after and conserve heritage buildings and structures, making sure that Bishop Auckland's magnificent past is being told to future generations. By visiting us, you're supporting young people into apprenticeships, teaching heritage skills, helping the environment and protecting sensitive buildings and landscapes.

We have great faith in the future of this town - we hope you enjoy it as much as you do, and feel truly at home while you're here.

Enjoy your visit.

As well as the Park Head Hotel, Auckland Palace, its Deer Park and Gardens, the Mining Art Gallery, Faith Museum, Spanish Gallery and El Castillo tapas restaurant, Weardale Heritage Railway, Mrs M's and No.42 in the Market Place are all part of The Auckland Project.
